No. A3. C. 1046—67—50-51. It is notified that indents for Service Stamps are being received in the various Treasuries of the District almost every day from the stamp vendors and from the heads of the several Offices and educational institutions. As this has resulted in heavy work in the Treasury it is proposed to issue stamps only on two days in the week, *viz.*, Tuesdays and Fridays. Stamps will be issued on these two days provided the indent therefor is received by 1 P.M. on the day previous to the day of issue. The Heads of Offices and Educational Institutions are therefore requested to ensure that their indents for stamps reach the Treasuries concerned on Mondays and Thursdays preceding the Tuesdays and Fridays on which they wish to obtain stamps.

Treasury Officers are, however, authorised to make any emergent issues at their discretion on other working days.
